

Prayer Shawl Request Form

A prayer shawl is a comforting and tangible reminder that the recipient is being “wrapped” in prayer by the St. Joan of Arc community.

It may be given to uplift those who are sick or lonely, to console someone after a loss, to celebrate the birth of a baby, to thank someone for his/her service, etc. St. Joan of Arc middle school students will make a fleece tie blanket, say special prayers, and write a card for each recipient.

Please complete this request form and return to the Parish Office or the Youth Ministry Office.
We will fill your request as soon as possible.
