PALM SUNDAY OF THE PASSION OF THE LORD

So they brought the colt to Jesus and put their cloaks over it. And he sat on it. Many people spread their cloaks on the road, and others spread leafy branches that they had cut from the fields. - Mk 11:7-8

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

©LPI

Adults: It's difficult to hear about the passion and suffering of Christ. Yet, we all experience suffering in our own lives. How do you unite that suffering to Christ's?

Children: If you were present at the passion of Christ, what role would you hope to play?

Pontifical Good Friday Collection

Pope Francis has asked our parish to support the Pontifical Good Friday Collection which helps Christians in the Holy Land. Your support helps the church minister in parishes, provide Catholic schools and offer religious education. The Pontifical Good Friday Collection also helps to preserve the sacred shrines.

The Pontifical Good Friday Collection is also necessary to meet the basic needs of the People of God still living in this Land where the Church was born.

When you contribute to the Pontifical Good Friday Collection, you become an instrument of peace and join with Catholics around the world in solidarity with the Church in the Holy Land. PLEASE BE GENEROUS! For more information about Christians in the Holy Land, visit www.myfranciscan.org/good-friday.

Congratulations to St. Joan of Arc Altar Servers Tatum and Liam Pounds, who were recently recognized for their exemplary service at Bishop Barber's vocation dinner.

The Whole Story

The Bible is a strange book. It's one of the only books that most people never read in its entirety, even those who claim it as one of their favorites. It's also one of the only books that we feel comfortable chopping up and sectioning out. There's nothing wrong with that, really, until people start making wholesale judgments of divine revelation based on one tiny part of it. You can't base your belief system on a few lines from Leviticus and ignore the Gospels, just like you can't embrace the teachings of Jesus and ignore the Old Testament. You need to accept the whole story, in its entirety, or none of it means anything but it's hard because accepting the whole story means patience. It means critical thinking. It requires endurance. It's easier just to throw a line from Leviticus at a problem and be done with it.

Holy Week reminds us that salvation history is a tapestry not a collection of threads. As beautiful as the individual stitches might be, you won't appreciate the message unless you back up and look at the complete product. If we didn't have the whole story, Holy Thursday and Good Friday would be neither holy nor good. Without Holy Week, Easter morning means nothing — it's just a guy waking up.

How often in life do we find ourselves confused to the point of hopelessness unable to make sense of it all? Overwhelmed by the pain and suffering that exists in this world, and for seemingly no reason, some of us become so frustrated we throw up our hands and despair.

We need Easter. We need the whole story. We need to be patient.

"His disciples did not understand this at first, but when Jesus had been glorified they remembered that these things were written about him and that they had done this for him." — John 12:16
